To Whom it May Concern:

"Northwest Ohio Association of Health Underwriters has been very pleased with the services we have received from J&M. They reorganized and designed our website and gave us suggestions on how to save money on our vendor expenses. They help keep us organized, our P&P's up to date and made our transition between administrators virtually painless. If you are looking for consistency in your board transitions you are looking for the services of J& M."

Kelly Ryan Belote  
Immediate Past President  
Northwest Ohio Association of Health Underwriters
